# Note From the Pote...

## In the Craft, Under the Fez — Together We Advance

Nobles, Ladies, and Friends of El Zaribah,

As I reflect on this incredible year, I find myself filled with an overwhelming sense of gratitude, pride, and excitement for what we have accomplished together. When I began my journey as your Potentate, I had one simple goal: to bring our Nobles together, strengthen our brotherhood, and remind everyone why we became Shriners in the first place.

**To have fun, to build friendships, to serve others, and to be part of something greater than ourselves.**

And what a year it has been!

From our Potentate's Ball and ceremonials to our stated meetings, social gatherings, family events, and even a little Water Buffalo foolishness, we have shared countless laughs, created lasting memories, and continued building the kind of brotherhood that makes El Zaribah so special.

But what has meant the most to me hasn't been the events themselves. It's been the people who showed up.

It's the Noble who brought his Lady to an event for the first time. The Brother who stepped outside his usual circle to make a new friend. The volunteers who arrived early, stayed late, and never asked for recognition. The families who joined us, the Past Potentates who offered their wisdom, and the countless Nobles who simply made the effort to participate.

**You are what makes El Zaribah great.**

I've always believed that brotherhood is more than a title, a handshake, or a fez. Brotherhood is something we actively build. It happens when we spend time together, look after one another, share our experiences, and create an environment where every Noble feels welcome and valued.

And here's something I hope we never forget: **It's okay to have fun!**

In fact, I believe it's essential.

We can honor our traditions, respect our obligations, support our communities, and remain deeply committed to our philanthropy while still laughing until our sides hurt. Those things aren't mutually exclusive. They're part of what makes this fraternity extraordinary.

We are Masons first, and the foundation of everything we do begins in the Craft. Our Blue Lodges are where our Masonic journeys begin, where the principles of brotherly love, relief, and truth are instilled in us, and where the next generation of Shriners will come from.

I encourage every Noble to remain active in his Blue Lodge. Attend a stated meeting. Support a degree. Mentor a new Mason. Invite a Brother to experience what El Zaribah has to offer. Our Shrine cannot thrive without a strong and vibrant Masonic foundation.

And as Shriners, we have the privilege of taking that foundation even further through fellowship, community involvement, and our support of Shriners Children's. Behind all the laughter, the events, the parades, and the red fezzes is a purpose that should make every one of us proud.

As we look toward the remainder of this year and beyond, my challenge to each of you is simple: **Stay involved. Bring a Brother. Make a memory.**

Don't wait for someone to personally invite you to participate. Be the Noble who extends that invitation to someone else. If you haven't attended an event in a while, come back and see us. If you have an idea for something fun, share it. If you see a new face, introduce yourself. And if you see a Brother who has been absent, reach out and let him know he's missed.

The strength of our fraternity isn't measured solely by the number of names on our membership rolls. It's measured by the relationships we build, the lives we touch, and the number of Brothers who genuinely look forward to being together.

I also want to extend my heartfelt appreciation to our Divan, officers, units, clubs, volunteers, Ladies, and families. So much of what we accomplish happens because of your dedication, generosity, and willingness to give your time. You have helped make this year something truly special, and I cannot thank you enough.

Serving as your Potentate has been one of the greatest honors of my Masonic journey. But the greatest reward hasn't been wearing the title of Potentate. It's been standing shoulder to shoulder with all of you, watching friendships grow, seeing our Temple come alive, and knowing that we're building something worth passing on to the next generation.

My hope is that the energy, enthusiasm, and brotherhood we've shared this year don't end when the calendar turns. I hope they continue to grow, because El Zaribah's greatest days should always be the ones still ahead of us.

So let's keep showing up. Let's keep supporting our Lodges. Let's keep serving our communities and our philanthropy. Let's keep welcoming new Brothers into our family.

And for goodness' sake, **let's keep having fun!**

Thank you for believing in this fraternity, for supporting our Temple, and for making this year one I will never forget.

Masons at Heart, Shriners in Action.

Fraternally and with sincere gratitude,

Illustrious Sir Rich "Jedi" Davis

# From the Assistant Rabban

Welcome back! I hope you had a great summer enjoying the heat, getting out of the heat, having fun in the pool, traveling, working (sorry), or whatever it might have been that made you enjoy the summer and the time off from Shrinedom. Now is the time to get back to enjoying your time at the Shrine! We are in full gear along with the Units and Clubs who have their own activities going on.

Not a member of a Unit or Club? No problem, you can join one at any time of year and they would welcome you with open arms. Already a member of a Unit or Club, but there is another one that interests you? That is a benefit of being a member of El Zaribah, in that you can join more than one Unit or Club. All you need to do is ask a member of that Unit or Club and they will be happy to help you join that Unit or Club and show you the 'ropes'. Not sure who is a member of the Unit or Club that interests you? Just ask a member of the Divan and we will be happy to point you in the right direction.

What if you find that you have an interest in something not currently being offered? Great!! You have the opportunity to create a new Club or Unit! Find like minded Nobles and work together to make it a success. As a Noble of El Zaribah, it is up to you to make your membership worthwhile. Find a Unit or Club that fits your interests, join them and become an active member.

How about El Zaribah? There are opportunities to enjoy taking part in the Shrine activities as well. Just let us know what is of interest and we can help you find the right opportunities. So come out and join us at El Zaribah for any number of events or activities. You will meet other Nobles that have a common interest and have a bond that will last and last.

Assistant Rabban

# The 365 Pay It Forward Team Dues Payment Program

Are you looking for an easier way to pay your annual dues? We have just the program that takes the worry and stress out of paying your annual dues. It is called the 365 Pay it Forward Team program.

The 365PIFT program pays your dues for the following year, i.e., payments in 2025 pay 2026 dues and provide a donation to the 2026 General Fund. To participate in the 365PIFT process, we ask you to pay a minimum monthly payment of \$20.00 with the understanding that the process will continue until you cancel the 365PIFT payments by providing written notice to the El Zaribah Recorder.

The 365 PIFT program is a safe, easy, and convenient way to pay your El Zaribah Shriners Dues, and it spreads the dues fee out over this year, so at the end of the year, you have the next year's dues already paid!

How to use the 365 PIFT program:

You may either call Leo Balthazor at 602-740-5635 to set up your account or you can go to the El Zaribah Shriners website at <https://el-zaribah.org/membership/#365pift>

1. The program will take you to the application screen to add your Debit or Credit Card information. *Note: If you want to use PayPal, select one of the other options.*
2. Once you have filled out the page, scroll down the page, and you will see "Create my PayPal account for Purchase Protection on eligible purchases." There is a slide button on the right. Click the slide button so it is turned off, and it will respond with words saying, "I want to use the card I entered above for automatic payments to El Zaribah Shriners".
3. Below that, you will see the "Agree and Subscribe" button; click it to complete the process.
4. By doing this, the Recorder's office will receive notification that you have joined the 365 Pay it Forward Program.

NOTE: It takes just a few minutes to complete, and you are done!

# LADIES ORGANIZATIONS

Our 80s and 90s Birthday Party was filled with laughter, friendship, fabulous outfits, and wonderful memories! It was such a joy to see everyone come together, celebrate, and enjoy a little trip back in time.

A heartfelt THANK YOU to everyone who joined us! You ladies are what make our temple so special. It's not just about the parties, the meetings, or the events. It's about the friendships we share, the laughter we create, and the memories we make together.

To our beautiful Sisters who couldn't be with us, we missed you! We're sending you lots of love and hugs and hope to see your smiling faces at our next gathering.

Looking around the room reminded me just how fortunate we are to have such an incredible group of women in our temple.

Here's to more laughter, more celebrations, and many more wonderful memories together!

# Half A Million Dollars

Did I Mention Half a Million Dollars?

El Zaribah Shriners provided transportation services valued at **\$65,250.00**, helping children and their families access essential medical appointments, specialized treatments, and ongoing care. These services help eliminate financial and logistical barriers to healthcare, allowing families to focus on their child's treatment, recovery, and overall well-being. By ensuring reliable transportation, El Zaribah Shriners plays a vital role in supporting positive health outcomes and reducing the burden on families during challenging times

|                                       |             |
|---------------------------------------|-------------|
| Flights 1/2026 through October 1/2026 | \$55,400.23 |
| Reimbursements                        | \$9400.00   |
| Rental car (1) special transport van  | \$450.00    |

El Zaribah Shriners was pleased to support Al Atfal Temple through a **\$100,000.00 donation** from its transportation fund to help sustain the Patient and Family Home. This home provides a safe, comfortable, and supportive place for families to stay while their child receives medical treatment.

The Patient and Family Home offers lodging and a sense of community during a challenging time, while also significantly reducing families’ financial burden by eliminating or minimizing temporary housing expenses. By providing this essential resource, El Zaribah Shriners helps ensure families can stay close to their child throughout treatment, allowing them to focus on care, recovery, and emotional support rather than financial concerns.

El Zaribah Shriners also approved a **\$250,000.00 donation** to the **Salt Lake City Outpatient Pediatric Specialty Clinic**, reinforcing its commitment to improving access to specialized healthcare services for children. This significant investment supports the continued delivery of high-quality pediatric outpatient care and helps ensure that children and their families receive the specialized medical attention they need close to home.

By strengthening the clinic’s ability to provide comprehensive specialty services, this donation enhances healthcare accessibility, improves patient outcomes, and helps reduce the challenges families often face when seeking advanced pediatric care. Through this contribution, El Zaribah Shriners continues to make a meaningful impact on the lives of children and families throughout the region.

**Grand Total of donations: Transportation assistance totals \$415,250.23**

El Zaribah was also contacted by Tampa for a burn victim who was transported by med flight to Sacramento Shriners Children’s Northern California at a cost of over \$50,000.00. El Zaribah provided \$25,000.00 of that cost, bringing our grand total to **\$440,250.23**.

Together, these efforts represent nearly half a million dollars in direct support for our mission. By continuing to invest in patient transportation, family housing, and specialized pediatric care,

El Zaribah Shriners remains steadfast in its commitment to ensuring that every child has access to the care they need, regardless of financial circumstances or transportation challenges.

Our contributions to the Al Atfal Patient/Family Home, and the Salt Lake City Outpatient Pediatric Specialty Clinic reflect our unwavering dedication to helping children receive the specialized care they need. These investments help remove any barriers that allow a child to focus on what matters most: healing, growing, and simply being children.
